## SENATE RESOLUTION

MR. PRESIDENT:

I offer the following resolution and move its adoption:

A SENATE RESOLUTION to urge the Legislative Council to establish an interim study committee, or to direct any committee deemed appropriate, to study the Interstate Compact for Adult Offender Supervision.

*Whereas, there are over 4 million offenders on probation or parole in the United States today, 250,000 of whom are estimated to cross state lines this year;*

*Whereas, offenders who travel from state to state are currently overseen by about 3,285 different local parole and probation offices, which operate within 860 different agencies, making it nearly impossible to adequately account for all offenders; and*

*Whereas, the Interstate Compact for Adult Offender Supervision has been designed to alleviate the problems of managing an increasingly mobile offender population: Therefore,*

*Be it resolved by the Senate of the  
General Assembly of the State of Indiana:*

SECTION 1. That the Legislative Council is urged to establish an interim study committee, or to direct any committee deemed appropriate, to do the following:

- (1) Study the Interstate Compact for Adult Offender Supervision.
- (2) If determined appropriate by the committee, recommend legislation implementing this program in Indiana.

SECTION 2. That the designated committee, if so charged, shall operate under the direction of the Legislative Council and that the committee shall issue a final report when directed to do so by the Council.
